

SHARON NKEMDILIM ISICHEI

👤 Profile

A motivated and enthusiastic junior frontend web developer with a passion for creating engaging and user-friendly web experiences. Seeking an opportunity to contribute my skills and knowledge in HTML, CSS, and JavaScript to a dynamic and collaborative team, while continuously learning and growing in the field of web development.

📁 Projects

Portfolio Website:

- Developed a responsive portfolio website using HTML, CSS, and JavaScript to showcase personal projects and skills.
- Implemented smooth animations, interactive elements, and a mobile-friendly layout for optimal user experience.
- Integrated multi means of contact and communication.

E-commerce website:

- Developed the user interface using HTML, CSS, and JavaScript. Made timely follow-up calls on initial contacts, to provide feedback and progress on issues raised.
- Created a visually appealing and responsive design for seamless browsing across devices.
- Designed interactive features such as image galleries and product sliders to enhance user engagement.
- Optimized performance to ensure fast loading times and smooth user experience.
- Ensured cross-browser compatibility and adherence to accessibility standards for wider accessibility.
- Integrated a streamlined add to cart and checkout process.
